History. This publication is a full revision including major changes to formatting, chapter numbers, and content. The portions affected by this revision are listed in the summary of changes.

Summary. This document prescribes policies, responsibilities and procedures for hunting and fishing on Fort Campbell Military Reservation (Fort Campbell or FCMR).

Applicability. This document is punitive in nature and applies to all military personnel, their family members, civilians, customers, partners, and contractors who perform duties, reside, utilize facilities, and/or enter and travel on the installation. Penalties for violating any of these provisions include the full range of statutory and regulatory sanctions, both criminal and administrative, and do not preclude prosecution of military personnel under other regulations, provisions Article 92, Uniform Code of Military Justice (UCMJ), or other laws, when such prosecution is appropriate. Violations by civilian employees may be the basis for appropriate disciplinary action and civilian offenders may be removed from this installation, denied re-entry, and prosecuted for violating the exclusion order.

Proponent and Exception to Authority. The proponent for this regulation is DPW; ATTN: IMCB-PWE. The proponent has the authority to approve exceptions or waivers of this regulation that are consistent with controlling laws, regulations, and Fort Campbell policies. Activities may request a waiver to this regulation by providing justification that includes a full analysis of the expected benefits and must include formal review by the activity's senior legal officer. All waiver requests will be endorsed by the commander or senior leader of the requesting activity and forwarded through their higher headquarters to the policy proponent.

Army Management Control Process. This regulation does not contain management control provisions.

Supplement. Supplementation of this regulation by subordinate commanders is prohibited without prior approval from this headquarters.

Suggested improvements. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) via email to harold.t.riggins.civ@mail.mil who will coordinate the action with the regulation proponent.

Distribution. This regulation intended for major units, subordinate units, directorates and agencies assigned or attached to this installation. This regulation is available in electronic media only via the 101st Airborne Division (AA) Eagle portal at <https://101st.aep.army.mil/SitePages/Home.aspx>.

Chapter 1 Introduction

1-1. Purpose

To establish responsibilities, policies and procedures for hunting and fishing on Fort Campbell.

1-2. References

Required and related publications and prescribed and referenced forms are listed in Appendix A.

1-3. Explanation of Abbreviations and Terms

Abbreviations and terms used in this regulation are explained in the Glossary.

Chapter 2 General

2-1. State and Federal Laws

a. All persons participating in hunting and fishing activities on Fort Campbell will comply with State and Federal fish, game, and natural resources laws, all Army and Fort Campbell regulations, and will cooperate fully with representatives of law enforcement agencies. All firearms brought onto the installation will be registered with Directorate of Emergency Services (DES) Visitor Control Center (VCC) IAW Army Regulation (AR) 190-11, Fort Campbell Regulation (CAM Reg) 190-1, and CAM Reg 200-4.

b. In addition to appropriate permits issued through the Directorate of Public Works (DPW) Fish and Wildlife Program for hunting and fishing on Fort Campbell, individuals must possess valid licenses issued by Tennessee or Kentucky for each game species pursued. Kentucky requires different licenses based on species being hunted, and Tennessee requires different licenses based on weapon being used (e.g. muzzleloader license for deer, gun license for deer, archery license for deer). Depending on which state you obtain your state licenses through, be sure they complement the weapon and species you will be pursuing on Fort Campbell.

c. An approved state hunter safety certification is required for all hunters of all ages in order to obtain a hunting permit through the DPW Fish and Wildlife Program.

d. All firearms brought onto the installation will be registered with the DES VCC in accordance with (IAW) AR 190-11 and CAM Reg. 190-1. **Note: Firearms will not be transported inside the VCC building.** Civilians must print and bring the applications form, Fort Campbell Form (FC Form) 2635 (obtain through iSportsman web portal <https://ftcampbell.isportsman.net/RegulationsandForms.aspx>) to the VCC for processing. IAW AR 190-11, chapter 4-5 and AR 190-13, chapter 8, non-Department of Defense ID card holders will be required to obtain a one-day pass for a hunting permit and favorably pass a criminal background check annually. A visitor pass and weapons permit will be required to obtain a hunters permit.

e. A Migratory Bird Permit and Federal Duck Stamp are both required, in addition to appropriate permits sold by the DPW Fish and Wildlife Program, to hunt waterfowl on Fort Campbell.

f. A Migratory Bird Permit is required, in addition to appropriate permits sold by the DPW Fish and Wildlife Program, to hunt woodcock on Fort Campbell.

2-2. Responsibilities

a. Senior Commander (SC) of Fort Campbell is responsible for fish and wildlife management, and the hunting and fishing programs at Fort Campbell. He has delegated management authority for these programs to the Garrison Commander (GC). The SC retains the exclusive approval authority for use of normally restricted areas for hunting and fishing purposes to include the cantonment area. Such areas will be specifically designated and released as determined by the SC IAW applicable laws and regulations. Additional restrictions and limitations may be implemented to ensure safety and mission requirements are met.

b. The GC has delegated the authority to plan, coordinate, and implement fish and wildlife management IAW AR 200-1 and the Integrated Natural Resources Management Plan (INRMP) to the Director of DPW. The Director of DPW has further delegated the responsibility for fish and wildlife management to the Conservation Branch, Fish and Wildlife Program Manager.

c. The hunting and fishing program is administered through Fort Campbell DPW Fish and Wildlife Conservation Branch.

d. Fort Campbell Fish and Wildlife (FCFW) will perform the administrative functions necessary to assign hunters and fishermen to available areas on Fort Campbell.

e. The DPW Fish and Wildlife Program Manager is authorized by the GC to suspend and/or revoke hunting and fishing permits for violations of the policies and/or procedures prescribed in this regulation.

f. The DPW Fish and Wildlife Program Manager serves as the approving official for all requests by hunters with disabilities for special hunting considerations. The DPW Fish and Wildlife Program Manager may be contacted at (270)798-9854.

g. The GC has delegated authority to the Installation Provost Marshal Office (Chief of Police) as the Chief of the game wardens for enforcement of hunting and fishing laws and regulations, and for military, federal, state, and local police support in the Rear Area of Fort Campbell. Game wardens and law enforcement personnel may be contacted at (931)472-8730 (Lead Officer).

h. The GC has delegated authority to Directorate of Plans, Training, Mobilizations, and Security (DPTMS), Range Division Chief, to release training areas for hunting and fishing use.

2-3. Eligibility

a. The SC has authorized members of the general public limited access to Fort Campbell for purposes of hunting and fishing in compliance with the Sikes Act (16 USC 670a-f) and under terms of the INRMP. Authorized patrons are set forth in AR 200-1.

b. Primary use of Fort Campbell is for military use. Hunting and fishing opportunities may become available only after military requirements are met. This is no guarantee that areas will be available for hunting and fishing activity on any given day

2-4. Authorized Activities and Permits

a. Before engaging in any activity not listed below, please contact the DPW Fish and Wildlife Program Manager for guidance concerning the permissibility of activities on Fort Campbell and need for a permit and/or area assignment. Permissible activities on Fort Campbell are separated into three categories: hunting, fishing, and other consumptive and non-consumptive activities.

b. Opportunities for recreational use of natural resources will be available to all eligible persons within the quotas established by the DPW Fish and Wildlife Program Manager. Area capacities are published on the Fort Campbell iSportsman web portal <https://ftcampbell.isportsman.net/RegulationsandForms.aspx>. The Federal Government is not responsible for any injuries or liabilities incurred by any person while engaging in hunting and fishing activities. All persons requesting hunting and fishing privileges must complete a hold harmless agreement acknowledging the government's limited liability prior to issuance of a permit (included in the online iSportsman application process).

c. Appropriate permits must be obtained by individuals prior to participating in any hunting or fishing activities. Access to any area on Fort Campbell must be appropriately permitted for safety purposes. This includes cemetery visits.

d. Available permits and their associated fees are located in Appendix B. Additional permit fees or application fees for lottery drawings; such as those for white-tailed deer, turkey, and waterfowl; may be required due to high permit demand or management costs. Permit fees may be changed at any time by the approval of the Fort Campbell GC.

e. Proof of a valid Tennessee or Kentucky hunting and/or fishing license is required prior to issuance of permits by the DPW Fish and Wildlife Program. Patrons must have appropriate state licenses and permits prior to hunting and/or fishing on Fort Campbell.

f. Proof of successful completion of an approved state hunter safety course is mandatory before individuals participate in hunting activities on Army land.

g. Proof of weapons permit issued by Fort Campbell DES VCC is required.

h. Proof of a visitors pass for hunting permit to validate a favorable criminal background check issued by Fort Campbell DES VCC IAW AR 190-13, chapter 8 is required.

i. Annual permits issued by the DPW Fish and Wildlife Program for hunting and fishing are valid from 1 March through the last day of February of the following year.

j. Active Duty hunters who have become disabled have access to an Active Duty Disabled Hunting Permit. This permit will allow them access to handicap hunting areas.

k. Permits must be purchased through DPW Fish and Wildlife Program iSportsman <https://ftcampbell.isportsman.net>.

l. Free Fort Campbell hunting and fishing permits are issued to:

(1) Disabled veterans who possess a valid Disabled Veteran Hunting License from the state of Kentucky or Tennessee.

(2) Youth, 9-17 years of age, who possess a state approved hunter safety certification and appropriate Tennessee or Kentucky state licenses and/or permits.

(3) Active duty military on leave carrying leave papers are issued free hunting and fishing permits. Hunter safety certification, weapons registration, and appropriate area assignment are required.

(4) Active duty military personnel in pay grades E1 through E4.

2-5. Authorized Hunting and Fishing Days

Hunting activities are authorized from Thursday through Monday (closed on Tuesdays and Wednesdays). All hunting and fishing activities will be closed on **Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Day, and Easter**. Hunting seasons and bag limits are posted on the iSportsman web portal. All seasons and bag limits are subject to change. Fort Campbell and FCFW reserves the right to close all activities on any given available date for any necessary reason.

2-6. Vehicle Control

- a. All vehicles must be driven directly to and from the assigned area.
- b. Vehicles with unchecked game are prohibited to exit Fort Campbell.
- c. Privately owned vehicle (POV) operations on Fort Campbell is restricted to authorized roads only (see Appendix D for list of unauthorized roads or visit the Fort Campbell iSportsman portal for a detailed map on authorized and unauthorized roads).
- d. POVs must be parked on Fort Campbell in the area assigned and within 30 feet of an authorized name roadway. Use of adjacent private property is prohibited for all individuals participating in hunting and fishing activities.
- e. Off-road use of any vehicle type is prohibited for the purposes of hunting and fishing. Exceptions are:
 - (1) all-terrain vehicles (ATV) and outdoor power chairs used to transport handicapped hunters directly to and from their hunting location with written permission from the DPW Fish and Wildlife Manager;
 - (2) hunters utilizing an ATV to retrieve a harvested deer on designated firebreaks. ATV use is prohibited off of designated firebreaks.

2-7. Conduct

Hunting and fishing ethics are taken very seriously at Fort Campbell. Great efforts are made to provide outdoor opportunity, therefore the following laws are strictly enforced with zero tolerance and will result in immediate suspension of hunting and fishing privileges. No person shall:

- a. Use alcohol or illegal drugs on Fort Campbell property.
- b. Commit violent and abusive behavior towards Fort Campbell employees.
- c. Disrupt operations at fish and wildlife facilities.
- d. Interfere with any individual at fish and wildlife facilities.
- e. Interfere with the lawful take of wildlife resources.
- f. Drive, harass, or intentionally disturb any wildlife resources for purposes of disrupting lawful take of these resources.

2-8. Disposition of Dead Wildlife

- a. Road-killed animals.
 - (1) As provided by Kentucky and Tennessee law, turkey and white-tailed deer that are road-killed may, at the discretion of the DES, be given to the person driving the vehicle if the driver wants the animal.
 - (2) At the discretion of the investigating officer, the animal may be added to the donated deer list and issued to any individual included on the donation request list. The

DPW Fish and Wildlife Program Manager develops and maintains the installation's donation list.

(3) For management information or educational purposes, the DPW Fish and Wildlife Program Manager may request the removal and transfer of portions of road-killed wildlife, such as teeth, scales and embryos.

b. Legally Harvested Animals.

(1) All harvested wildlife are considered Federal property until logged into the Fort Campbell Harvest Database and issued a harvest tag. All transported wildlife species must be equipped with a temporary harvest tag

(2) All harvested wildlife become property of harvesting individual once properly reported in the iSportsman portal.

(3) Harvested wildlife may be subjected to post harvest inspection or examination for research purposes. Samples of tissues and/or fluids may be taken by DPW Fish and Wildlife biologists, the game wardens, or the Fort Campbell Veterinary Services for developing information to improve conservation management, disease control or other official purposes.

(4) Failure to provide fish or game for examination, when requested, may result in suspension of hunting and fishing privileges.

2-9. Concealed Weapons

Carry permits or concealed carry permits of any state are not recognized as authority to allow a person to carry a weapon on Fort Campbell at any time. Possession of handguns while hunting and fishing on Fort Campbell is prohibited.

2-10. Miscellaneous Unlawful Activities

a. No person shall litter or dump any type of waste materials on Fort Campbell.

b. No person shall have an unleashed animal on Fort Campbell except for authorized hunting and training.

c. No person shall take natural resources (plants, fungi, animals, and their parts) from Fort Campbell without obtaining proper authorization from the DPW Fish and Wildlife Program.

d. No person shall introduce any plant, fungi, or animal on Fort Campbell. This includes bringing in seed source, transplanting or translocating any plant, fungi, or animal.

e. No person shall enter Fort Campbell for purposes of locating, possessing, or removing artifacts or antiquities without written permission from Headquarters, 101st Airborne Division (Air Assault) and DPW Fish and Wildlife Program.

f. POV operators must comply with CAM Regulation 190-5. Refer to Appendix D for unauthorized roads on Fort Campbell.

g. No person shall enter into off-limits areas, impact areas, or closed areas.

h.
