

## 2018 Deer Hunting Season – Area Capacities

Areas are allocated base on the following guidelines: Active duty 55% capacity of each area, DoD ID Cardholders and Disabled American Veterans (DoD and DAV) 30% capacity of each area, and Non-Affiliated Civilians 15% capacity of each area. Areas will be opened, upon availability from Range Division, and each status may occupy their allotted capacity in each area. Areas are no longer exclusive to one status.

Some areas (see table titled “Rotated Areas”) will be rotated weekly, upon availability from Range Division, to each status. Rotated Areas will be exclusive to one status for each rotation.
